Dear Friends,

Warm greetings to all those attending “The Eye Ball” hosted by the Academy of Ophthalmic Education.

I commend the Academy for its continued dedication to collaboration between professions, and to building bridges amongst them through education. I know that this evening’s fundraiser will help further your co-operative efforts.

I would also like to extend my sincere thanks to the organizers. Your hard work and dedication will support our doctors and researchers to improve vision care in this province.

Please accept my best wishes for another enjoyable and successful fundraiser.

I wish you all a memorable evening.

Sincerely,

A handwritten signature in blue ink that reads "Deb Matthews".
