

## Dr. Baseer U. Khan | MD, FRCSC

---

Born and raised in Canada, Dr. Baseer Khan received his MD from the University of Toronto where he was honoured to have received the Sigmund Vaile Award for Top Surgeon in his graduating class and received several research awards during his training. He went on to complete subspecialty training in Glaucoma and Advanced Anterior Segment Surgery.

As an Assistant Professor at the University of Toronto and international Ophthalmology consultant for multiple companies, Dr. Khan is actively involved in teaching and research and development on local, national and international platforms.

Dr. Khan has published extensively in journals and books and is often sought as an expert in advanced and challenging cases. He has also developed and designed surgical instrumentation for new surgical techniques.

Dr. Khan has dedicated a segment of his practice as well to humanitarian work, much of which has been in Vietnam.

Dr. Khan is currently the Executive Lead Physician at Southlake Regional Health Centre in Newmarket, Ontario and Director of the Clarity Eye Institute in Ontario.
