

## **Briar Sexton | MD, FRCP**

---

Dr. Briar Sexton is a Clinical Assistant Professor at the University of British Columbia and currently practices comprehensive Ophthalmology in Kerrisdale (Vancouver), British Columbia.

Dr. Sexton was born and raised in London Ontario and completed her undergraduate degree in Biology at McGill University and her medical degree at the University of Western Ontario. Upon graduating from Western Ontario, she went on to complete her residency in Ophthalmology at Dalhousie University, followed by a fellowship in neuro-ophthalmology at the University of British Columbia.

Dr. Sexton has a special interest in counseling AMD patients on nutritional and lifestyle modifications that they can make to help reduce the effects and progression of the devastating disease.

While not in the office, Dr. Sexton enjoys traveling, skiing and reading.
