

## Jordan W. Cheskes | MD, FRCSC

---

A graduate from the University of Toronto Medical School, Dr. Jordan Cheskes completed a 5-year fellowship in Ophthalmology at the Mayo Clinic in Rochester, Minnesota.

Dr. Cheskes serves as the Chief of the Retinal Division for both the Scarborough Eye Associates and the Bochner Eye Institute. He also practices at St. Michael's Hospital and Rouge Valley Hospital-Centenary. He brings expertise for the medical, surgical and optical divisions.

Dr. Cheskes is a lecturer for the Department of Ophthalmology at the University of Toronto and is often requested to speak at professional meetings.

In addition to organizing the talent show for the Department of Ophthalmology at the University of Toronto, he is also an accomplished musician playing both the guitar and harmonica.

Dr. Cheskes has dedicated his career to providing exemplary vision correction surgery in Toronto. His passion and commitment to his field has lead to many satisfied customers who have received cataracts treatment, PRK, RLE and treatment for keratoconus in Toronto and throughout Ontario.

Dr. Cheskes is proud to be part of the renowned Bochner Eye Institute. He offers an extensive array of refractive eye surgery procedures designed to improve patients' vision while reducing their dependence on glasses.
