

Mark Eltis | OD, FAAO

Dr. Mark Eltis has practiced optometry in New York, California and Toronto. He is a graduate of the University of Waterloo School of Optometry & Vision Science where he continues to lecture. He is a Fellow of the American Academy of Optometry and a Diplomat of the American Board of Optometry. Dr. Eltis has served as an examiner for the national licensing assessment in both Canada and the US (NBEO and CACO). He has presented and published internationally and has been sought as an expert on optometric issues for national television and print. In 2013, Dr. Eltis was honoured as a member of the Optometric Glaucoma Society having 'demonstrated excellence in the care of patients with glaucoma through professional education and scientific investigation.'
