

## Whitney Hauser | OD

---

Dr. Whitney Hauser received her Doctor of Optometry Degree from Southern College of Optometry in Memphis and completed a postgraduate residency in Primary Care Optometry at Southern College of Optometry (SCO). Prior to joining the SCO faculty as Assistant Professor, she served as Clinical Director and Research Coordinator at an ophthalmology referral center in Memphis. She has authored many articles focused on the management and treatment of ocular surface disease, anterior segment and practice management. She serves as Clinical Development Consultant at TearWell: Advanced Dry Eye Treatment Center and at Advanced Care and Ocular Disease Service at Southern College of Optometry. Dr. Hauser is founder and senior consultant of Signal Ophthalmic Consulting - designers of premier care plans for optometry and ophthalmology practices with an emphasis on dry eye care and cataract/refractive surgery.
